

HELP
WANTED!

HELP
WANTED!

If you'd like to help on Barr Trail
or Seven Bridges Trail,
Friends of the Peak has projects for you!

Saturday, June 8, and Saturday, June 22,
we'll be replacing failing fence posts
and rails in the fencing along Barr Trail.

Thursday, June 13, and Thursday, June 27,
we'll be addressing some erosion
problems on Seven Bridges Trail,
trying to stabilize the trail and make it safer.

If you'd like to help,
you can register on our web site,
<http://www.fotp.com>,
on the Projects page,
<http://www.fotp.com/7-events/projects>
You can check out our other projects there, too.

I hope you can join us.
Carol Beckman
